## VERSE I

The hand of God is so amazing creating life both near and far  
And even heaven has to answer to hands that reach beyond the stars  
(Aaahhh's – choir)  
How can we repay the one who tells the days to come and go  
How can we repay the One who tells the winds to calm or blow,  
How can we repay the One who pours the water in the seas, Giver of life to you and me

## CHORUS

You made the sun, You made the moon  
You placed the stars in the sky  
You're awesome, AWESOME!  
You made the trees, so beautiful to see  
You're a God that can do anything  
You're awesome, AWESOME!

## VERSE II

Man has scaled the tallest mountain, a skill with bravery, indeed,  
And man has swan across the ocean and explored life beneath the sea  
(Aaahhh's – choir)  
But how can we compare a man to one who tells the rain to fall,  
To one who takes a seed and plants a tree until it's big and tall,  
How can we compare a man to one with love eternally, Giver of life to you and me

## CHORUS

You made the sun, You made the moon  
You placed the stars in the sky  
You're awesome, AWESOME!  
You made the trees, so beautiful to see  
You're a God that can do anything  
You're awesome, AWESOME!

# BEAMS OF HEAVEN

## CHORUS

I shall get home  
I shall get home someday

## VERSE

Beams of Heaven as I go  
Through this wilderness below  
Guide my feet in peaceful ways  
Turn my midnight into day  
But in the darkness I would grope  
Faith always see's a star of hope  
And soon from all life's grief and danger  
I shall be free someday

Often times my sky is clear  
Joy abounds without a tear  
Though a day so bright begun  
Clouds may hide tomorrow's sun  
There'll be a day that's always bright  
A day that never yields to night  
And in its light the street of Glory  
I shall get home someday

## CHORUS

I do not know

## VERSE

How long it will be

## CHORUS

Nor what the future

## VERSE

What it holds for me

## CHORUS

## VERSE
